

How do we get our Greek organization in the yearbook?

Welcome, Greek community, to the Horned Frog Yearbook. We want to be sure and cover as many of your events as possible in the book. We obviously want to cover your philanthropy events, but if you have any other events that you are participating in, or are putting on PLEASE let me know. We want a wide variety of pictures on your page. To reserve your two-page color space it will be \$200, this will ensure that we have photographers coming to your events when possible. Also, if you have pictures that are appropriate feel free to send them in, if we are not there to cover it.

Please return the following information, including the events sheet, as well as the \$200, to the yearbook offices, rooms 50-54 of the Recreation Center Basement. You may also mail them to Greek Section Editor Brie Lowry, TCU Box 297327. If you have an event coming up soon, please *email* Brie, at brie.lowry@tcu.edu.

We hope to hear back from you soon, to make sure your place in TCU does not go unnoticed.
