

How do we get our organization into the yearbook?

We invite you to reserve yearbook space for your organization(s), and we ask that you inform us of all your events so that we can assign photographers and videographers to cover them.

To reserve your space we request a fee of \$25, which will ensure our coverage, and also provide you with a professional group photo opportunity.

Please return the following information as well as the events sheet, to the yearbook offices, rooms 50-54 of the Recreation Center basement. You may also mail them to Andrea Drusch, TCU Box 297327. If you have an event coming up soon, please email Andrea Drusch, at a.drusch@tcu.edu.

If your organization has an event coming up in the next few days, please email or call Andrea Drusch immediately so that the yearbook can cover it. We want to make sure your presence at TCU does not go unnoticed!
